English, Maths and ESOL courses

WHY NOT SIGN UP TO

GET SMS REMINDERS

During the year we get opportunities to set up new courses, such as Preparing for GCSE or Functional Skills in English and Maths and sometimes places become available on existing courses. In addition to this we are planning short courses on particular topics in maths, such as arithmetic, fractions and decimals.

If we have your contact details we will text you when places become available or when new courses are set up.

How to join our TEXT MESSAGE list:

- Contact your local centre (details on the back cover)
- Call our Information Line on **0121 303 4318**

If you are not offered a suitable place this year you will be offered an **assessment for courses** starting in **September 2018**.

Volunteering with us

Will you help change a life today?

Share your skills and knowledge with others

Get valuable experience in a teaching environment

Boost your confidence and enrich your C.V.

Interested in joining our team of volunteers?

You do not need to be teacher trained to be a good volunteer. It's much more important that you are committed to taking on a new challenge and are motivated to help others. We are always looking to recruit more volunteers especially those that help us to reflect the multicultural diversity of the city and those that have the skills and qualifications we need to support our learners across so many subjects.
