

Mentoring

- LEVEL 2 AWARD

Length of Course:

30 Guided Learning Hours

Course Aims

This course is designed to allow learners to gain a deeper understanding of the role of a mentor and develop the skills needed to become an effective mentor.

Learning Outcomes:

By the end of the course candidates should be able to:

- Gain an insight into the role and practice of mentorship.
- Be clear about mentor/mentee relationship.
- Ensure they follow good practice.
- Develop the specific skills and understanding they will require in order to mentor.
- Reflect on their own learning and work performance.
- Understand the benefits of mentoring.
- Understand legal and ethical mentoring requirements.

Who is the Course for?

This is for learners who wish to pursue a career in mentoring with either children, young people and adults in different working environments. It is especially useful for learners who have already gained the Level 1 Award in Mentoring.

Do I need any knowledge, skills or qualifications?

Learners will need to show that they have the ability to write clearly in English, you will be required to pass a written assessment at Level 2. Learners will normally have completed the Mentoring L1 Award. We will also offer you the opportunity to improve your maths skills.

Will I gain any qualifications?

You will gain a level 2 award in mentoring from NCFE.

How will I learn?

You will be taught by a tutor. You are expected to take part in group and paired activities and discussions. You will build a portfolio of evidence and some independent study and research is expected.

Progression Advice

Completion of this course could lead to a level 3 qualification in Life Coaching or Counselling. Progression is not guaranteed.

What materials or equipment will I need to provide?

The most important resource you will have is your willingness and enthusiasm to learn. You should also have a supply of pens, paper and an A4 folder / dividers to keep your work safe.

Other Information:

Course Completion: Completion is expected within the academic year. Learners whose completion is delayed may be subject to an additional assessment fee.
