

The Wider World

Information for Learners, Families and Carers

Do you like to find out about the world?

Together we will discover places, people, animals and landscapes from across the globe. We will use the Internet to look at places. We will discover faraway places with maps, books, discussion and sharing experiences. So come and take a trip with us from Britain to Australia.

Activities we will do:

- Looking at maps and finding places
- Using the internet
- Finding out how a compass works
- Looking at where we live
- Writing
- Reading
- Collage

Come and join us on a voyage of discovery
