How to join a course ...

1

Contact the Admissions Team

In person: Centre details on the outside back cover
Call: 0121 303 4318 Email: information@baes.ac.uk
Fill in an enquiry form on our website at www.learnbaes.ac.uk

2

Ask any questions you may have about the course

Find out more about the course content and if you will be able to attend
What sort of things will you be learning? Where, when and how often does the class take place?
How much will it cost?

3

Check you meet the course entry requirements

Is it the right level course for you? If you want to join a qualification course you will need to complete an initial assessment to check that your maths, English, or subject knowledge are at the right level for you to succeed. **If no initial assessment is needed you can enrol straightaway.**

Enrol now or book an initial assessment

4

If required, book an initial assessment

We will find and book you onto an initial assessment at a time and venue that is most convenient for you. You will be advised on how long the assessment will take and anything else that you will be expected to do on the day.

5

Complete an initial assessment

If you have any additional needs or difficulties please inform the assessor before you start your assessment so we can provide any support you may need. After you have finished the assessment we will discuss your results with you and help you to find a suitable course.

Enrol onto the course

6

Get ready to start your new course

A few weeks before your course starts we will email you more details about your course, supply your BAES learner account ID, and a reminder of when and where your course starts. **A few days before your course begins we will send you a text message to welcome you to your course.**

Come into the centre, or log on, and start your course!

How much will it cost?

Free courses

Provided you meet residency requirements, certain courses are free. These include:

- English and maths functional skills

English, maths and ESOL

Don't put it off for another year! Enrol today and improve your English or maths skills.

Whether it's getting a job or enrolling on a higher education course, having the qualifications to show you have the right level of skills has never been more important.

Functional Skills courses up to Level 2 are designed to improve literacy or numeracy skills in everyday life and for work. GCSE supports more academic study in further and higher education. For learners speaking English as a second or third language, ESOL courses up to Level 1 aim to improve spoken English, reading and writing skills.

For information on our English, maths & ESOL courses and to book an initial assessment contact your local centre or call **0121 303 4318**

What is the cost?

English and maths course: these courses are free if you are a permanent resident in the United Kingdom.

ESOL courses: are free for people on Job Seekers Allowance or other eligible income based benefits who are doing the course to help gain employment in the future.

Call our Information & Admissions Team on 0121 303 4318 for help and advice.

Flexible Online Learning

A flexible online learning course means that you can study in a way that best suits your personal circumstances. After you have enrolled on a course, your tutor will be in touch to let you know your login details and answer any questions you may have. They will also advise you on the latest course completion date. How you study then is up to you. You pick when you study and how quickly you do the course.
